

A world of opportunities for your child

Dear Parents and Guardians,

We are always looking for ways to involve our community in the building of a great school. The more students and parents are positively engaged, the more vibrant and positive the school environment becomes. Although POWIS Primary is only 5 weeks old, I have been delighted with the children's response to the student leadership opportunities and their involvement in music and sports. Earlier this week, we played our first inter-school fixtures (football) and the children played with great sportsmanship and effort. Today, choir performed admirably at assembly and next week I am looking forward to meeting the POWIS Primary Parent Class representatives.

At assembly today, we celebrated our 'stars of the week', our School Council Students, the House Captains, and awarded a number of 'problem of the week' certificates. Next Friday's assembly will see Year 5 and Year 6 performing in the House Poetry Recital, I encourage you to join us.

While we welcome parents in to discuss their children's progress at any point, we also offer a parent/teacher conference each term. You should have received details earlier this week. These will take place on Wednesday 23rd and Thursday 24th October, the week before half term.

Finally, the final Friday of term will be a celebration of the Deepavali festival. We encourage all children and their teachers to dress-up in their Deepavali clothes. We will be having a special assembly with stories, song and dance. Please join us.

Have a lovely weekend.
