

IGCSE Options Choices - Programme of study Sept 2021 - July 2023

All students will take IGCSE English Language (First or Second) and IGCSE Mathematics. They then need to choose one subject from each of the option blocks. These choices should include at least one science and a language. Please see the options booklet for more information on each subject. Students can only choose Business Studies **OR** Economics. English support is a non examined subject. Everything will be done to accommodate first choices but in some cases this may not be possible and an alternative will need to be selected.

A	B	C	D	E	F
Bahasa Malay (Foreign)	Bahasa Malay (First or Foreign)	Art	Chemistry	Business Studies	Biology
Biology	Biology	Biology	Computer Science	Chemistry	Chemistry
