

**IAL Options Choices - Programme of study Sept 2021 - July 2023**

All students will start with 4 A Level Subjects with the option to drop to 3 at the end of year 12.  
Further maths counts as two A levels as it includes maths A level, it must be taken in option D **and** E.  
Students can only choose one subject from an option block.

A Level Options				
A	B	C	D	E
Chemistry	Computer Science	Art	Biology	Business Studies
Economics	DT	Chemistry	History	Further Maths
Geography	Mandarin*	English Literature	Further Maths	Maths
French*	Spanish*	Physical Education	Maths	Music
Japanese*		Physics	English Support	Physics
Mandarin*				Psychology
*Non. A Level Qualifications				
<u>Languages</u> French, Spanish, Japanese, Mandarin		Independent Project Qualification English support (incl. IELTS preparation)		

Everything will be done to accommodate first choices but in some cases this may not be possible and an alternative will need to be selected.
