

IAL Options Choices - Programme of study Sept 2022 - July 2024

Students should choose 3 or 4 A Level subjects. If taking 4, there is the option to reduce to 3 in Year 13. Further maths counts as two A levels as it includes maths A level, it must be taken in option A **and** C. Students can only choose one subject from an option block.

A Level Options				
A	B	C	D	E
Biology	Art	Further Maths	Business Studies	Biology
Further Maths	Chemistry	History	Economics	Chemistry
Geography	Computer Science	Maths	English Literature	DT
Maths	Spanish*	Music	Physics	Mandarin*
Physics		Psychology		
Japanese*		French*		
*Non. A Level Qualifications				
<u>Languages</u> French, Spanish, Japanese, Mandarin		Independent Project Qualification English support (incl. IELTS preparation)		

Everything will be done to accommodate first choices but in some cases this may not be possible and an alternative will need to be selected. Subjects with less than 4 students will be unable to run and the reserve choice will be used.

Student Full Name:
