

IAL Options Choices - Programme of study Sept 2023 - July 2025

Students should choose 3 or 4 A Level subjects. If taking 4, there is the option to reduce to 3 in Year 13. Further maths counts as two A levels as it includes maths A level, it must be taken in option D **and** E. Students can only choose one subject from an option block.

A Level Options				
A	B	C	D	E
Art	Chemistry	Biology	English Literature	Biology
Chemistry	Economics	Business Studies	Further Mathematics	DT
Computer Science	Environmental Management (AS)	Drama	Geography	Further Mathematics
DT	Music	Media Studies	Mathematics	Mathematics
History	PE (AS)	Physics		Mathematics (AS)
	Physics	Psychology		
Languages				
French, Spanish, Japanese, Mandarin				

Everything will be done to accommodate first choices but in some cases this may not be possible and an alternative will need to be selected. Subjects with less than 4 students will be unable to run and the reserve choice will be used.
