

A Unique Boarding Experience

POWIS offers full and weekly boarding options for students. Our boarding houses are purpose built and located within campus. We have two Heads of Boarding who lead a team consisting of teachers and staff to manage and run activities for our boarders.

Boarding at POWIS provides an opportunity for students to develop character and learn to be independent. In addition, they are able to build friendships and make connections with students who come from diverse cultural backgrounds.

Kipp
Year 8, New Zealander
Adventurous and social

Boarding is really fun! On Saturdays, you get to hang out with your friends and do things we enjoy together such as hiking, going to the mall, laser tag, movies, bike rides, kayaking or we can play an organised sport. On Sundays, we get to have a free day catching up on our sleep, making pizzas, playing soccer or going for a run with friends.

Van

Independent and sporty

My boarding experience makes me realise new aspects about myself I did not know before and it has helped in my self-confidence. Personally, I find that boarding prepares me for the future ahead.

Gui Fu
Year 11, Malaysian
Sporty, laid-back, friendly

Being a boarder has many advantages such as not worrying about being late to school and having the ease of returning back to my own room during break or lunchtime.

Rena
Year 12, Singaporean
Creative and optimistic

Boarding provides an environment that is motivating to study in. It has also allowed me to get to know more people that I may not have been able to get the chance to know otherwise. The activities that are available on the weekends also allow me to try something new.
